

Arunvignesh Ramakrishnan

Agile Trainer, Coach & Consultant

tryScrum & tryBusinessAgility

Biography

Arunvignesh Ramakrishnan is a passionate Trainer and Coach helping teams and organisations become capable and resilient. He is a Professional Scrum Trainer (PST) from Scrum.org, a Certified Team Coach (CTC) from Scrum Alliance and an ICAgile authorised Instructor. Arunvignesh holds 14+ years of experience in software development and delivery as a Business Analyst, Scrum Master and Agile Coach working with various engagements, including a large bank, a fund management Product set-up, and IT Services transformation in one of the big three consulting firms. He is Proficient in Agile Transformation in Distributed teams. With a solid foundation in coaching, mentoring & training helped agile teams elevate their agile maturity and assisted in creating a collaborative environment setting up various forums for the community to share and learn continuously. As an Enterprise Agile Coach and Professional Agile Trainer at tryScrum.com, own Coaching Programs at tryScrum and created a portfolio of learning solutions designed to enable individuals and teams to be successful through Coaching. The programs include ICAgile-accredited Agile Coaching (ICP-ACC) & Enterprise Agile Coaching (ICP-ENT & ICP-CAT) workshops. Arunvignesh is a B.E., in Electronics & communications Engineering and an MBA, in Finance from Anna University. He lives in Coimbatore, India, where he takes every opportunity to enjoy driving and the great outdoors with his family & friends.
